

Hooper Academy Green & White

www.hooperacademy.org

To all graduates:

Your graduation is the beginning of a new day. You will leave the load of yesterday behind you. I pray that each of you are looking into the future with active minds and bodies. As you look into the future, you know full well that it contains a vital challenge. You do not know what you are facing, and you know that you will not be sheltered as you have been in the past.

As you say farewell to your fellow classmates and teachers, do so with the feeling that you are leaving your school for a world filled with opportunities. I know you will meet the challenge of the future. However, let me warn you, do not expect to accomplish things by magic. It is going to require commitment, sacrifice, hard work, and self-discipline. You must ask everyone to bear with you until you have time to meet the challenge that will face you.

You each have a dream. Dreams are important because they give us goals to achieve. But in order for you to meet these goals to succeed, you must make choices. The choices you make in life will ultimately determine your success.

Tomorrow will certainly be different from today. This world, in which we live, is constantly changing. If the American system is to survive it will depend to a great extent on what your graduation stands for and what you achieve.

Each of you face a tremendous responsibility as related to the future of America. I don't have to tell you what a mess has been created. I know with resolve you will fight to overcome these problems. You can and must change our country. Restore family values and take a stand for what is right.

Your graduation is a result of perseverance in study. You are now embarking on a perseverance to survive and live a productive life.

This road we call life is filled with many pot holes. But I need to remind you that the rewards for meeting all challenges, large and small, will be great.

I ask you not to be afraid to struggle and certainly to not be afraid to give your best.

Hopefully at the end of your life you, like St. Paul, can say that I have fought a good fight, I have finished the race and I have been true to myself.

Then you will be able to look at your graduation night, not just as one special night in your life, but rather an event truly marking a beginning.

In closing, let me remind you that god is interested in the success of your soul. True success is to satisfy your calling not your ambitions. Men pursue god but of priority or pain. It's amazing how pressure and pain can refocus priority.

Beginning today, try to make decisions based on priorities, not your pressures.

He is successful who is found faithful to do the will of God.

Do your part to tend the culture and build God's Kingdom.

God is looking for people who are willing to penetrate all arenas in life and represent him there.

You, graduates, have been a blessing to me. I love you and my prayers are with you.

I salute you tonight. I'm proud of you.

Sincerely,

Dr. John D. Niblett,
Headmaster

Alabama Girls State Program

Sherry Leigh Lacey

Sherry Leigh Lacey, has been chosen to attend the Alabama Girls State Program at Troy University, June 8-13, 2008. Girls State is a unique summer program whose purpose is to educate young women of America in the fundamental aspects of citizenship. Through this laboratory approach, students experience the processes of government by performing the duties of real office-holders in everyday work. Selection as a delegate to Girls State is one of the highest honors conferred on a high school student. Young women who are selected to participate in Girls State have the opportunity to develop a deep understanding of the workings of government, to strive for and to assume leadership roles, and to realize that their action can make a difference in their community.

Alabama Boys State Program

Shane Hudson

Shane Hudson has been chosen to attend the Alabama Boys State Program at the University of Alabama, June 1-7th. Alabama Boys State is one of the highest honors granted to Alabama students. Students from across the state are chosen based on their demonstration of leadership, hard work, strong morals, and motivation in school and community activities. At Boys State, student delegates will find the opportunity to build new friendships, participate in a mock government, and hear from and meet a diverse array of Alabama leaders such as Congressmen, state elected officials, business leaders, civic leaders, and others. Delegates will have the opportunity to join interest groups that focus on their individual areas of interest such as law school, fire college, law enforcement academy, aerospace academy, lobbyists, city government, county government, constitutional convention, engineer/computer academy, and environmental interest group.

Hooper Academy 5th graders visit Lanark

On April 24th, the 5th graders at Hooper Academy visited the Alabama Nature Center at Lanark in Millbrook, Alabama. The students had the opportunity to enjoy nature and wildlife while going on a guided tour through the beautiful forests and fields at the Lanark Estate. They also participated in a scavenger hunt and saw a raccoon and an opossum on their trail walk! The class enjoyed learning about nature through this incredible outdoor-education program. They would like to thank their teachers, Mrs. Hall and Mrs. Kizziah, for taking them on a great field trip!

HOOPER FINE ARTS HAS BANNER YEAR

The Hooper Academy Fine Arts Department had an excellent year producing winning work in art, drama and music. Under the direction of Mr. Christensen, students participated in AISA sponsored events with outstanding results. In addition, a school-wide production of "Beauty and the Beast" was presented in April to an appreciative audience of family, friends, students and faculty.

In January, the high school Performing Arts class participated in the AISA Drama Festival at Faulkner University. Students presented excerpts from the children's play, Witches, Britches, Rings and Things, in three different categories. The categories were Solo Presentation, Duet and Ensemble. Three of Hooper's students were named to All-State cast. They were Travis McGough, Karina Scott and Alex Goolsby. Other participants were Kaylee Hobbs, Zac Chandler, Tara Reeves, Hillary Huff and Abbie Walden. Witches, Britches, Rings and Things was also presented to our elementary students and excerpts were presented at a PTA meeting.

In April, Performing Arts students participated in the AISA Secondary Choral Festival. They presented two pieces from memory and were awarded a Superior rating. Judges were complimentary of the choir's enthusiastic and well-prepared presentation.

Next year, Hooper Academy will host this event. The festival will be coordinated by Mr. Christensen who is also AISA Music Association President. We will need parental support for this event. Your involvement will be appreciated.

Also in April, Hooper hosted the AISA Elementary Choral Festival coordinated by Mr. Christensen. Fifteen schools participated with over a thousand people visiting the school for the event. Hooper's fifth and sixth grade students participated and received a perfect-score rating of Superior. Hooper will host the event again next year.

April also brought AISA art shows. The local show was coordinated by Mr. Christensen and had over five hundred pieces entered. Winners' work went to District at Morgan Academy in Selma. Seven of our students placed at District. They were: Madeline Maxwell, 2nd Place in 3-D, Morgan Maxwell, 3rd Place in 3-D, Abby Watts, 3rd Place in Photography, Kyle Sides, 3rd Place in Drawing Non-Color, Kaylee Hobbs, 1st Place in Color Drawing, Austin Nobles, 3rd Place in Commercial Art, and Travis McGough, 2nd Place in Mixed Media. Kaylee went to the State Show at Huntingdon College and won 1st Place in her division.

Congratulations to all of the hard work and success of our students and the Fine Arts Department.

You can help support Fine Art activities by joining the Fine Arts Booster Club at the beginning of the year. In addition, work hours can be counted for helping with one of our events. See Mr. Christensen for information.

HOOPER ACADEMY

Booster Club

Dear Families and Friends,

There have been tremendous improvements to the Hooper athletic facilities over the last 2-3 years, most of it attributed to Hooper's Boosters. Hooper's student/athletes now travel in a customized bus to athletic events, the light installation on the girls' softball field has been completed, new concession stands now serve fans at the football, baseball & softball fields, new uniforms have been purchased and the list goes on. All of these improvements are the result of the enthusiasm we have for the student/athletes and the desire to give them the best opportunity to succeed. Please help us continue this mission by joining the Booster Club and participating in the many projects the Booster Club sets forth. Dear Parents and Players,

I want to give you our schedule for the summer workouts so as to help you plan for vacations and other summer events. I am excited about the opportunity to work with all of the kids this summer in hopes that we can get bigger, faster, and stronger. We are very fortunate to have a good off-season program ready that will allow our kids a great chance to improve their physical condition as well as their skills in the different sports they play. Attached are calendars for the months of May, June, and July. They will help show what we are going to be doing, when we are doing it, and gives you a count of the total workouts. From a football perspective the best month to vacation is going to be June because July is our busy month as we try to build up for practice on July 31. We will be installing offenses and defenses in the month of July to help with our camps, so when a player misses a day they will begin to fall behind. If you have already planned a vacation for July, you don't have to cancel your plans; I just need to know so Little Johnny can get caught up. If you have any questions about this summer please contact me.

Thanks,
