## All-Metro AISA Softball Coach Of The Year

Coach Lindsey Atchison was named the Montgomery Advertiser All-Metro AISA Softball Coach of the Year for 2009. Coach Atchison led the Hooper Academy softball team to a 28-13 record and a fourth place finish in the Class AAA state tournament. Coach Atchison has been a great influence on our players and continues to improve our athletic programs each year. Once again, congratulations to Coach Atchison for this great accomplishment.

## Welcome Coach Keene

Keene has spent 30 years coaching football in Alabama, Georgia and Florida. August will start his 24th season as a head coach at Hooper Academy.

His head-coaching resume includes eight years at Ashford High School, five years at Demopolis, three years at Muscle Shoals, two years in Georgia and the past five years at Northview High School in Escambia County (Fla.).

"We're going to work hard and try to win as many games as we can. But we've got to start by building a solid foundation. Otherwise, we won't have the success we want to have in the future. We're going to start by emphasizing technique and fundamentals. When we get to where we can do the fundamental things, the wins will come."

## Finding Contentment

I recently visited our newest grandson, Graham. As I held him, I found myself wondering what his life was going to be like as he grew to manhood. Was he going to have good grades and go to college? Would he enjoy and do well in sports? Would he be a coach, a teacher, a pastor? Suddenly I realized that I was imagining what he could do when instead I could have been praying about who he would be.

And maybe you find yourself focused on what you could be in the future rather than letting yourself be content in the present. I meet so many people who, unhappy in the present, are looking to the future – to the next paycheck, the next home, the next church, the next month, the next school, the next job, and, in some cases, the next marriage partner. It's my thoughts that if you're not happy with what you have now, you'll never been satisfied with what you want. These people live with the hope that the future will bring the missing piece of their life, the piece that means contentment.

Granted, it's not easy to be content. Our culture works hard to make us aware of all that we don't have. The advertising industry often makes us want things we might not otherwise have considered. We can easily find ourselves drawn away from spiritual pursuits and instead we're building our lives around reaching a certain financial goal. Simply put, we find ourselves putting our hope on wealth. (I Timothy 6:17)

As is sat there with Graham, I began praying for all of his extended family, that each of us would help teach him to value God values more than money, career, and fame. It's not that these are evil, but placing too high a value on them can lead to downfall. (I Timothy 6:9)

Paul learned that "godliness with contentment is great gain" (I Timothy 6:6) When we find ourselves looking to the future because we aren't content with today, may God give us peace of mind and the ability to rest where He has placed us. If we pattern our lives after Christ, we will experience the rich blessing of contentment in the present.

May God forgive us for valuing too highly those things which interfere with our pursuit of what He wants for us.

Sincerely,

John D. Niblett  
Headmaster

### Parents of Juniors and Seniors:

Please note the listing of the ACT date listed below in order to sign your student up in plenty of time before the school year starts. It is required all juniors take the ACT test at least one time this year. I will be listing all other test dates in the next Green and White. Notice this is the first time we have had a September test date in Alabama! Please be mindful of the sports schedule and whether you think it is in the best interest of your student to take the test at this time. (If they are a senior this is **not** an option.) If your student is a new junior this is a great time for he/she to begin taking the test.

### ACT Information:

Please note the following information concerning the upcoming ACT (American College Testing Program) important date for this academic year. Packets are available in the Guidance Office or you may register online at [www.act.org](http://www.act.org) I highly encourage the students who register by mail or online to create FREE ACT web account. ## **HHUMYF Youth Summer Mission/ Retreat 2009**

The Hope Hull UMYF traveled to Panama City Beach, Florida on June 26th- 28th, 2009. There were 19 youth from Hope Hull United Methodist and other surrounding churches along with 7 adults in attendance.

While there they stayed at Noah's Ark , which is a christian retreat located on Front Beach Road. They experienced a concert by the " Two by Two" band on Friday and Saturday nights which was a great experience for them all. On Saturday of the trip, the youth packed sack lunches to take to the homeless in downtown Panama City. They personally delivered the lunches along with clothing, they either donated or collected prior to the trip. The youth were divided up into four groups to deliver a devotional message of hope and faith to the people gathered there. Many of their lives were touched that day by seeing how fortunate their lives really are. They also realized how easily they too, could be in the same situation as many of the people living on the streets. On Sunday, it was a fun day attending ShipWreck Island and Emerald Falls.
