Hooper Academy Students Tour New York City

A group of students from Hooper Academy spent the first part of their Christmas Break touring New York City. The first day of touring included the Broadway District, Radio City Music Hall, Museum of Natural History, and admission to the observatory deck of the Empire State Building for a spectacular view of NYC. The second day students toured the Upper West Side to include the Lincoln Center, Harlem, Cathedral of St. John the Divine, Columbia University, and the Apollo Theater. The group spent the afternoon browsing and shopping along famous 5th Avenue to include H&M, Forever 21, Niketown, Trump Towers, Tiffany's, Sak's, and FAO Schwartz. The group visited Rockefeller Center and Central Park before heading to the Broadway production of "The Lion King". The third

day students took a ferry ride to the Statute of Liberty and Ellis Island Immigration Museum. The group then visited the 9/11 memorial, Trinity Church, and China Town before dining at Puglia's Italian Restaurant. At dinner, the entire group was encouraged to get up, get up, get up and shake your napkin as it the custom for out of town guest. The group then visited Times Square before calling it a day. The fourth and final day, students visited SOHO, Greenwich Village, historic Grand Central Terminal, and of course shopped at Macy's before heading to the airport. Hooper Academy's Tour of New York City was a great success as the students were exposed to many new customs and cultural norms.

Hooper Academy Family,

Welcome back! I hope everyone had a relaxing and enjoyable Christmas break. . I am extremely proud of our students for rising to the challenge of our new exam policy. We finished off the first semester with pajama week in our secondary school to compliment our final exam schedule. We wanted the students to be as comfortable as possible when taking their final exams.

Hooper Academy was blessed with an amazing Elementary Christmas program where our students displayed their incredible acting skills. I have no doubt some of our students have a career path in the acting profession. I would like to thank Mr. Christensen for his hard work and dedication to The Academy's Fine/Performing Arts Department.

If the second semester is anything like the first, May will be here before we know it. As I have mentioned before, our extracurricular activities expand this time of year and do not slow down until graduation. Please help our students with time management skills as they have numerous commitments in need of their time.

As always, if I may be of service to you or your family, please do not hesitate to contact me.

Yours in quality education,

John M. Mehaffey
